AMENDMENT TO AND REVIVOR OF OIL AND GAS LEASE

For the sum of ten dollars and other good and valuable consideration paid to each of the undersigned, the receipt and sufficiency of which are hereby acknowledged and in consideration of the mutual covenants and benefits arising hereunder, the undersigned do hereby amend and revive that certain Oil, Gas and Mineral Lease (the "Lease") made and entered into between Charles A. Haley and wife, V. Frances Haley, ("Lessor") and Conglomerate Gas II, L.P., ("Lessee") on May 5, 2007, a Memorandum of which is recorded as Tarrant County Clerk Instrument Number D207158788, Official Public Records, Tarrant County, Texas, and reference to which is made for a description of the properties covered (the "Leased Premises"), and which was assigned to Chesapeake Exploration Limited Partnership ("Assignee") by that certain Assignment of Oil and Gas Leases, dated May 5, 2007, recorded as Tarrant County Clerk Instrument Number D207204964, Official Public Records, Tarrant County, Texas, as follows:

Whereas the Lease provided that, as a condition of the Lease, the leased premises be pooled with the Clements No. 1H Well within 60 days, and whereas the First Amendment of Pooled Unit, Clements Unit was filed of record on August 14, 2007, recorded as Tarrant County Clerk Instrument Number D207285449, Official Public Records, Tarrant County, Texas, pooling the Leased Premises, as provided in the Lease, but not within the time period required, therefore the Lease is amended to extend the period for pooling sufficiently so that the above referenced First Amendment of Pooled Unit shall be considered to have been timely filed to add the Leased Premises to the pooled unit with the required period of time, and said pooling is specifically ratified and confirmed. Lessor hereby leases, lets, and demises the Lands to Lessee as of the Effective Date on the same terms and provisions as set forth and contained in the Lease and deems the Lease to be in full force and effect and, to the extent necessary to give effect to this pooling and the continuing validity of the Lease, does revive the Lease as if no default had ever occurred.

IN WITNESS WHEREOF, this Amendment and Revivor is executed by each of the undersigned as of the date such execution is acknowledged, but the same shall be effective for all purposes as of the date of the Lease.
